The background is a deep blue gradient. On the left side, there are several interlocking gears of various sizes, rendered in a lighter blue, semi-transparent style. On the right side, there are white, glowing circuit-like lines that form a grid pattern, with some lines ending in small circles. The overall aesthetic is technical and modern.

ProCare Rx

*Managing Your Pharmacy Benefit,
One Prescription at a Time*

ProCare Rx is a national Pharmacy Benefit Management company with customized solutions for your prescription benefit plan. It's our personal mission to treat every client with integrity, the highest level of customer service, and transparent healthcare solutions — your members, your plan design, and your choice.

Innovative Technology

Flexible Plan Designs

Maximum Savings

ProCare Rx's team has been creating and implementing successful benefit designs with minimum member disruption for over 20 years.

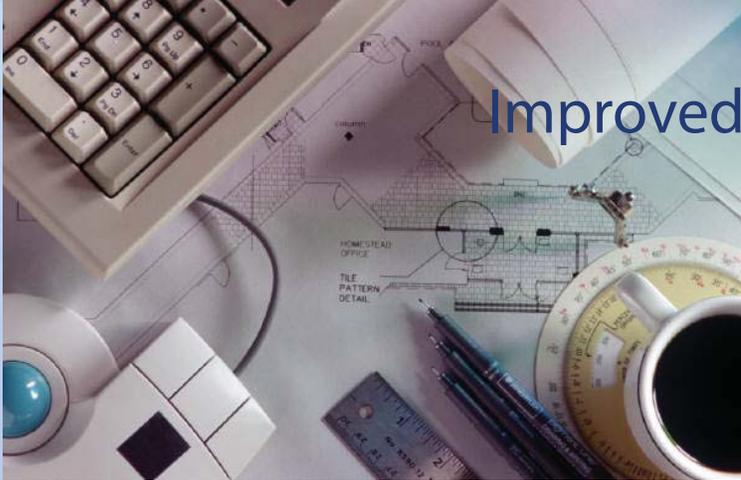

Transparency is Knowledge

Knowledge is Power

Seek a **New Path**

ProCare Rx provides competitive, customized prescription benefit solutions. Our real-time claims processing system is flexible and scalable to your plan requirements. Whether it's your formulary, eligibility, retail or mail pricing edits, low cost network, or smart specialty programs — the choice is yours through our innovative technology. It's that simple.

Improved Claims Processing

ProCare Rx, URAC-accredited for pharmacy benefit management, takes the worry out of complicated regulations and compliance procedures. Our claims processing system is SOC1-certified. Whether it's formularies, copay calculations, coordination of benefits, or explanation of benefit generation, our internally developed and maintained systems make it simple.

Flexible Pharmacy Benefit Solutions

ProCare Rx will customize a formulary to fit your membership needs — the options are endless, the choice is yours. We use a 'lowest net cost' therapy philosophy that always puts the safety and therapeutic efficacy of the medication first. Pairing our formulary with a competitive, clinical, and financial benefit design has kept our clients' prescription drug spending below national growth rates for the past five years.

Formulary for Wellness

Around the Corner

Or in Your Mail Box

ProCare Rx's national pharmacy network gives your members 60,000+ choices to fill prescriptions. Pharmacists are connected to the members' prescription claim benefits in real-time; claim issues can be resolved electronically, or with one quick phone call to our knowledgeable Customer Care staff.

Our mail order and home delivery facilities have 24/7/365 pharmacist access. Over 99% of all prescriptions are shipped, free of charge, to members within 24 hours. Mail and retail prescriptions are adjudicated through the same proprietary claims processing system — assuring medication safety for every member.

ProCare Rx's team is dedicated to the philosophy that we are partners with every client in the management and growth of their business. This philosophy extends to our US-based Customer Care Center and Pharmacy Help Desk. Assistance is available around the clock, every day of the year, where a highly trained representative strives for a 'one-call' resolution for every call.
